ABOUT OUR COMPANY

HNS Solutions provides complete ICT support and solutions to businesses of all sizes. Our team of professionals brings a wealth of experience and up-to-date knowledge to every project, serving our clients with utmost integrity and an ambition for long-term relationships.

We cover all software and hardware, working closely with clients to provide the best solutions according to their specific requirements. Our goal is to provide affordable and effective ICT solutions that meet the diverse needs of our clients.

Contact us today to learn more about our services and how we can help your business thrive in the digital age.

VISION

Our vision at HNS Solutions is to be the leading provider of innovative and comprehensive ICT solutions for businesses of all sizes in the UAE and beyond. We aim to build long-term relationships with our clients based on trust, integrity, and exceptional customer service. We strive to be a trusted partner for our clients, providing the latest and most effective technologies and solutions to help them achieve their goals and thrive in the digital age.

MISSION

At HNS Solutions, our mission is to provide reliable and cost-effective ICT solutions that help our clients thrive in the digital age. We prioritize exceptional customer service and work closely with our clients to understand their unique needs and provide tailored solutions that drive growth and success. We stay up-to-date with the latest technologies and best practices to ensure that our clients have access to the most advanced and effective ICT solutions available.

VISION & MISSION

CORE VALUES

SMART

At HNS Solutions, our team of tech experts ensures that our clients receive the best possible ICT solutions, making us the smart choice for businesses looking to thrive in the digital age.

FAST

Our up-to-date tech experts work around the clock to ensure that every project is delivered within the given timeframe, making HNS Solutions the fast and reliable choice for businesses seeking efficient and effective ICT solutions.

AFFORDABLE

At HNS Solutions, our wide range of products enables us to provide our customers with the best possible prices in the market, making us the affordable choice for businesses seeking cost-effective ICT solutions without compromising on quality.

OUR SERVICES

At HNS Solutions, we specialize in providing a range of comprehensive services to our clients, including Telecom Solutions, Network Solutions, and Security Solutions. Our team of experts are equipped with the skills and knowledge required to install, configure, and maintain these systems, ensuring that they operate effectively and efficiently. We also offer annual maintenance contracts (AMC) to our clients, ensuring that they receive ongoing support and assistance to keep their systems up-to-date and fully functional. Whether you need a new telecom system, network infrastructure, or security solution, HNS Solutions is here to provide you with the best possible service and support.

NETWORK SOLUTIONS

STRUCTURED CABLING

At HNS Solutions, we have a team of experts who specialize in structured cabling for offices, homes, and buildings. Our team ensures that the cabling is designed and installed to the highest standards, providing our clients with a reliable and efficient network infrastructure.

OPTICAL FIBER

At HNS Solutions, we have extensive experience in laying optical fiber in both small and large premises. Our team of experts are equipped with the knowledge and expertise required to install fiber optic networks that are reliable, efficient, and tailored to the specific needs of our clients.

NETWORK SETUP

At HNS Solutions, we specialize in configuring networks that seamlessly connect all office devices, ensuring fast and efficient data transfer speeds for optimized business productivity.

VPN

HNS Solutions offers VPN services that enable offices to connect securely with their off-site locations, providing remote access to business resources and ensuring seamless collaboration across distributed teams.

AMC

HNS Solutions offers AMC and outsourcing services for comprehensive IT support, ensuring optimal equipment performance and uninterrupted business operations.

SECURITY SOLUTIONS

CCTV

At HNS Solutions, we provide the best quality CCTV installation services, utilizing SIRA-approved products to ensure the highest level of security for our clients' premises. Our experienced team of technicians use the latest technologies and techniques to deliver CCTV systems that are customized to meet the specific needs of each client, providing unparalleled security and peace of mind.

ACCESS CONTROL SYSTEMS

At HNS Solutions, we offer comprehensive access control system solutions, including automatic door locks with biometric or RFID card unlock capabilities. Our experienced technicians design and install customized systems that cater to our clients' unique security needs, providing unparalleled control and monitoring of access to their premises.

TIME ATTENDANCE SYSTEM

HNS Solutions also provides time attendance system solutions that help employers keep track of their employees' working hours. Our systems are designed to be efficient and user-friendly, allowing for easy tracking and management of employee attendance records. With our solutions, clients can streamline their payroll and HR processes, improving overall efficiency and productivity.

AMC

At HNS Solutions, we offer custom AMC contracts for CCTV and other security products to ensure that our clients' premises are always safe and secure. Our dedicated team of professionals provide comprehensive maintenance services for all security equipment, including regular check-ups and repairs to ensure optimal performance. Our custom AMC contracts cater to our clients' specific security needs and budget, providing peace of mind and a safe and secure environment at all times.

TELECOM SOLUTIONS

VOIP PHONE SYSTEMS

Our skilled technicians configure VoIP phones for seamless communication in your office. We customize call routing, caller ID, voicemail, and more to match your business needs. Our services optimize efficiency, reduce costs, and enhance productivity.

IP-PBX PHONE SYSTEMS

We specialize in providing efficient communication solutions for offices with our IP-PBX phone systems.

SIP TRUNKING SERVICES

We specialize in configuring SIP trunk lines, which can help your business streamline communication and reduce costs. Our experienced team can set up and optimize the service to ensure smooth operation and maximum efficiency. Contact us today to learn more about how we can help enhance your business communication.

CALL CENTER SOLUTIONS

At HNS Solutions, we specialize in configuring and implementing call center solutions for businesses of all sizes. Our experienced team of professionals ensures seamless integration with your existing systems to provide a reliable and efficient solution for your business needs.

VIDEO CONFRENCING SOLUTIONS

At HNS Solutions, we specialize in setting up video conferencing systems for businesses of all sizes. Our team of experts provides complete configuration services, ensuring that your system is up and running smoothly, allowing you to hold meetings with remote teams and clients effortlessly. We use the latest technology to provide you with the best video conferencing experience possible.
